7.1. Uniform Shop Report – Paula
Summary of Uniform Shop Financial Position – August 2019 (Appendix 1)

TUESDAY 17th September 2019

- It was a rather quiet month with the winter season coming to an end & with payments of summer orders, things don't look as good as they could, but that will turn around in the coming months.
- The big question for the next P&C meeting...do we want to continue with the legionnaire hat??? They are not popular, most people grab them because they initially think it's a cap, only to put them back on the shelf. My personal recommendation would be to not buy anymore, as it's essentially just money that sits on the shelf. We still have the choice of the wide-brim hat or the very popular bucket hat.
- Michelle raised question around someone looking into a different type of sports shorts than is currently sold as material doesn't seem as good quality. The uniform shop have samples of other shorts if the P&C are keen to pursue further. – Get some more information/clarification on what we have versus what we want.

we have versus what we want.	
Motion to accept:	Michelle Stafford
Seconded:	Donna Jones
7.2. Canteen Report – Donna Jones	
Will be putting smaller slushy on the	menu for summer for half the price.
Volunteer drive – Online hasn't alway	s worked. Now all ordering is via Flexischools, there isn't as
much parent interaction.	
-	omote canteen menu and push for volunteers.
Changed popper supplier and will give	e an extra 25c per popper. Every little bit counts.
At next meeting, lets discuss the Fun	Friday concept for term 4.
